

Join us for a free lecture by Larissa Snorek-Yates, CS

Lari is a practitioner of Christian Science healing.

The Healing Power of Stillness

Lari will talk about how everyone can discover a stillness that brings rest and healing to our everyday lives. Christian Science healing teaches how to find a deep-settled calm within ourselves that cannot be disrupted by fear or any outward disturbance. The talk will include examples of how the Bible and the writings of Mary Baker Eddy have brought lasting peace and complete healing to individual lives.

Everyone is welcome!
